BULLSEYE GOLF SIMS

Screen Sizing Chart – Shock Cord

Please Note – This chart is used for reference only, if you have any questions about dimensions and installation information, please email customer service and we can assist.

Bullseye includes the 2" Velcro border with grommets (top and sides) in the finished sizes on the website. We classify this as "Finished Size (Edge to Edge)". =/- 1" on the finished size is acceptable for measurement differences

"Inside Frame Dimensions" refer to the measurements from the start of the inside of the frame to the floor/opposite side of the frame

For Aspect Ratios, please use the following link for more information

Dimensions are height (H) x width (W)
